Whatever your destination...

On the PATH Map

Squares represent buildings.

The Green Line represents links between and through buildings.

Colours represent the four points of the compass -

north (blue), south (red), east (yellow) and west (orange).

H represents hotel.

C represents cultural building.

S represents sports venue.

Yonge-Dundas Square **N-3**
150 York **G-9**

...PATH signs lead the way

PATH Marker

Signs ranging from free-standing outdoor pylons to door decals identify entrances to the walkway.

In many elevators there is a small PATH logo mounted beside the button for the floor leading to the walkway.

Next Destination

PATH directional signs tell you which building you're in and the next building you'll be entering. The arrow is one of the PATH compass colours: blue (north), red (south), yellow (east) or orange (west).

Street Name

Street names are identified as you walk under them.

Compass

Which way is north? These ceiling-mounted compasses have colour-coded arrows pointing N-S-E-W.

Accessibility

This symbol indicates an alternative route for people with disabilities whenever a flight of stairs lies ahead.

Toronto's Downtown Walkway

Welcome to PATH - Toronto's Downtown Walkway linking 10 kilometres of underground shopping, services and entertainment

Visiting a client? Shopping for a gift? Attending a sports event? Taking in a movie? Catching the subway? Follow PATH and you'll reach your downtown destination easily in weatherproof comfort.

Signs and maps displaying the multi-coloured PATH logo show you where to enter the walkway, direct you to where you want to go, and keep you on track until you get there.

Arrows, colour-coded to North, South, East and West, point you in the right direction.
